Dear Cheryl,

On behalf of everyone at Animal Friends, I would like to thank you for your gift of \$50.00 to sponsor the adoption of an animal. Your contribution will undoubtedly help them find a loving home.

Animal Friends has never been satisfied with status quo – especially when it comes to saving the lives of companion animals in crisis. Ever since our humble beginnings as a matchmaking service, this vision is something that we have not deviated from. In addition to working to find loving homes for thousands of homeless animals each year, we are committed to providing individualized care for the wellness of each rabbit, cat and dog who comes through our doors in need of a second chance.

Each animal who enters our progressive network of care is guaranteed to be treated with the highest level of professionalism, integrity and compassion. In addition to our dedicated staff members who care for the daily and medical needs of the homeless animals who live at Animal Friends, our Behavior Wellness team commits countless hours to facilitating the psychological and emotional well-being of the more than 250 residents in our care, especially those who need extra socialization, positive behavior modification and specialized training. They ensure that every animal in our care receives daily enrichment in the form of games, activities and handling that alleviates boredom, stress and anxiety. It is this progressive approach to our residents' wellness – environmentally, medically and behaviorally – that makes Animal Friends so unique. By recognizing the importance of the animal-human bond, we have created a broad range of programs and services to meet the changing needs of our local community.

Gifts like yours help to ensure that we will be able to continue providing our residents with the innovative care that we are known for. Your generosity will have an immediate impact on the pets and people in our region. Thank you for helping us in our work to find loving homes for homeless animals and to create a more compassionate community.

Sincerely,

Jaime Greenwald  
Director of Development

P.S. For your convenience, we have enclosed a donation envelope along with this letter. We hope that if you find a future opportunity to celebrate an occasion or commemorate a loss, you will think of Animal Friends.
