Dear Cheryl:

I am writing to thank you for sponsoring the adoption fees for Josephine and Sarah through your Finley's Wish program and Emails to Heaven, Inc. As a result of this initiative, I am pleased to acknowledge your generous sponsorship gift of \$150.00 to the shelter.

Your generosity and commitment to helping our shelter animals enables us to rescue, care for, and adopt out thousands of animals each year. Now in our shelter for more than 6 years, we find that we are taking in more animals and have greater demand for services. As a result, our need for funds is correspondingly greater as well. We receive no financial operating support from donations made to any regional or national animal welfare organizations, and we are not directly funded through local, state, or federal tax dollars.

Thank you so much – on behalf of all the animals we serve – for believing in second chances. We couldn't do this without you.

Sincerely,
