Sons of the American Revolution George Washington Chapter

December 5, 2022

Dear Cheryl,

On behalf of the George Washington Chapter of the Sons of the American Revolution and Wreaths Across America, I would like to thank you for your sponsorship of wreaths to be placed at the National Cemetery of the Alleghenies. Your generosity has helped Wreaths Across America to continue its mission to REMEMBER the fallen – HONOR those who serve, and TEACH our children the value of freedom. With your help, it looks like we are going to have another great year! Our George Washington Chapter continues to be the largest gatherer of wreath sponsors for the National Cemetery of the Alleghenies.

Be advised, that the way our group is set up with the National Wreaths Across America program. For every two wreaths sponsored, the designated cemetery will receive a third at no cost. So with your sponsorship of 10 wreaths, the National Cemetery of the Alleghenies actually will receive 15.

We hope we can count on your continued support when we send out notices and kick off our campaign in the fall of 2023. Our Wreaths Across America campaign really never ends as some groups work all year long to raise awareness and hold fundraisers for the next year. We also would encourage you to join us at noon on December 17, 2022 at the National Cemetery of the Alleghenies to help place wreaths on the veterans graves. It is a big task as there are now over 23,000 veterans interred in the cemetery that serves the entire tristate area..

Remember, in life they honored their country and now it's a chance for us to honor them. Thank you for your commitment and may you and your families have a Merry Christmas and a healthy and Happy New Year.

Sincerely,

Gary W. Timmons
Wreaths Across America Chairman
