Advantages of my Newsletter

First I want to thank those who have supported my nonprofit for the past 3 years. I do posts on Facebook, but I feel they are not being seen by everyone. I would like to keep everyone informed of my progress and to let everyone know about those who I am helping through your donations. I am also hoping this will encourage others to make a donation as well.

2024 Presidential Candidates...

I would like to see our 2024 Presidential Candidates show support for our widowed neighbors during their Presidential Campaigns. Using their online contact forms, I have reached out to Nikki Haley, Ron DeSantis and Tim Scott (before he left the race). I tried to write to Vivek Ramaswamy but his contact form only permits 1000 characters. Only the first paragraph of my letter fit. I still need to contact the others once I find their presidential website.

Birthday Fundraisers

Please consider creating a Facebook birthday fundraiser for my nonprofit. The donations will be handled by Network for Good. Any donations received will be mailed directly to me within 75 days.

This Holiday Season

If you have a family member, friend or even a neighbor who is widowed, make this Holiday a special day for them to remember and cherish always. Giving them 5 minutes of your time, even just a phone call or dropping off a baked good, will make their day a lot brighter.
