Dear Cheryl,

Thank you so much for your gift of \$100 on 1/29/24. Your donation supports animals that have yet to find loving homes because the Butler County Humane Society relies on the financial support of compassionate donors like you to save the lives of orphaned, injured, and abandoned pets.

Though it bears the county's name, the BCCHS is not a government-affiliated, sponsored, or financially supported organization. As the only animal shelter in Butler County, BCCHS houses, feeds, provides veterinary services and finds forever homes for the dogs and cats that are rescued by other agencies, including law enforcement and state and local dog wardens. The shelter also provides services to animals that are surrendered by their owners or are brought in by private individuals.

Over the years, we have worked hard to increase the number of lost animals returned to their owners and to increase our adoption and placement of animals into loving environments, all with great success! Your contribution helps us provide continued medical care, community outreach and education, as well as increase transfers to and from partner agencies to maximize adoptions. Your donation also allows our staff to care for animals here in the shelter 365 days a year.

Thank you again for your kind gift and for creating a brighter future for our community's homeless pets. The animals are so lucky to have you on their side!

Sincerely,
